

McLaren's Club 401

moonlight magic

A night of shimmering elegance and engaging entertainment awaits you. Please join us for an evening of fun, fundraising and friendship at the 19th Annual Club 401 Charity Benefit Gala "Moonlight Magic", presented by the McLaren Foundation. Proceeds support the Child Evaluation Clinic, the region's only Clinic providing medical and psychosocial evaluations for children who are suspected victims of sexual abuse.

The Child Evaluation Clinic, located in the McLaren Medical Education Building, provides medical and psychosocial evaluations for children who are suspected victims of sexual abuse. More than 3,000 children have been served since the Clinic's inception in 1993, and the need continues to grow. The Clinic serves a three-county region and works closely with area court systems, law enforcement agencies and the Child Advocacy Centers in Genesee, Shaiawassee, and Lapeer Counties. All proceeds from the Club 401 Benefit Gala are used to fund services at the Child Evaluation Clinic. Any additional proceeds fund related efforts in child abuse prevention, education and child advocacy.

With your gracious support, we can continue to provide this valuable service to our community.
